DIARY ENTRY TO CATER THE NEED OF COMMUNICATION SKILL

Diary entry-

Dear Diary,

Today was the first day of our college trip. We were all very excited. The first sight seeing spot was St. Mary's Island. To the island we went by boat crossing the Arabian Ocean. It was a great experience. The island was a visual treat for us, the beauty of the island could not be expressed in words. It is ethereal and has a lot of places to sit and relax. Beach shores are filled with lot of sea shells. I really had fun in water, with my friends. I could really enjoy the serenity of the place to the fullest. I took reels and photos with my friends. The long walk through the island cherished my heart and soul. I would cherish this memory forever.
