ORIENTATION TO SCHOOL PRINCIPAL /TEACHERS

The college invited senior staff of four teaching practice schools for the orientation/discussion on the internship programme on 17/10/2022 at 2.00 pm. Eight senior teachers and all teacher educators participated in the meeting. The meeting was held in the conference room. In order to promote interaction between the supervising teachers and the student teachers, the meeting was very much helpful. Dr. Alice Joseph Principal of the college presided over the meeting. The supervising teachers from schools gave creative suggestions and their expectations for the smooth functioning of the internship programme. Teacher educators requested their support and their co-operation in this regard. The meeting ended at 2.30 PM with a High Tea.

**Rules and Regulations to be followed during the Teacher
Training (Internship) Programme**

Dear Students,

Given below are the rules and regulations for the smooth conduct and effective evaluation of your teacher training programme in schools. After reading through the rules, it is required by all students to put their signature in the respective positions. If any of the rules lack clarity and remain vague, the students can clarify the same with their teachers and then put their signature.

1. The rules of the school (working hours, time table, instructions of the Head Master and the mentor in the school) have to be strictly followed.
2. Handover the time table assigned to you at school to your respective teacher educator within a week after the commencement of the training
3. The dress code should be strictly followed in adherence to the instructions given by the college authorities.
4. Inform the teacher educator in advance, if there are no classes as per the scheduled time table assigned to you.
5. The class periods assigned to the student teachers shall not be handed over without the consent from the teacher educator.
6. Leave is not admissible during training period. In cases of extreme necessity, leave can be taken only with the permission of the School Teacher, Teacher Educator, College Principal and School HM. Note that excess leaves may result in cancellation of the training program. Leave letter must be written and kept in the Students Register with signature of the School HM.
7. Must attend school on Saturdays or when required/asked by the head teacher and sign in those cases.
8. Make sure that the signatures of the Teacher Educator and the school teacher are recorded in the Lesson Plan along with the date before taking the class. If any of these is found to be missing, the Lesson Plan will not be included in the prescribed number.
9. The teaching aids can be demonstrated only with the signature/permission of the teacher educator.
10. There is no permission to be excused during school working hours to come to college or go home .
11. Lesson plans should be submitted on the days instructed by the teacher educators and get it signed promptly.
12. Each student is responsible for safeguarding their records.
13. Taking classes without teaching aids, taking classes inappropriately without following the format of the lesson plans will be considered as invalid.
14. Incomplete lesson plans (without filling the reflection/ response column, without making necessary corrections, using whitener, torn and disfigured paper) will be considered as invalid.
15. It is the responsibility of the student teacher to write the lessons as per the weekly time table prior to the class to be taken and get it signed from the respective teacher in charge before taking the class.

16. If any faults are found in your class, your conduct, fulfillment of duties and participation in programmes conducted in school, the student teacher will be responsible for the consequences

17. Teacher trainees are not allowed to punish students. If any such misbehavior occurs from the part of the student trainee should report it to the respective teacher in charge in the school. If one fails to do that and instead ends up punishing the students they should face the further consequences.

I have read all the above mentioned rules. If I fail to follow them, I will be responsible for the consequences

ORIENTATION TO THE STUDENTS BY THE PRINCIPAL

As a part of preparing the student teachers for the internship program, our college conducted an orientation session for second-year student teachers on 18th October 2022, at 2:30 PM. The primary objectives of the session were twofold: first, to instill in the students a profound appreciation for the significance of their internship, and second, to articulate the expected code of conduct that they, as aspiring teachers, should uphold.

The gathering took place in the Multipurpose Hall. Dr. Sr. Alice Joseph, the Principal of the college, graced the occasion and assumed the role of the keynote speaker. In her address to the students, she emphasized the intrinsic value of the internship and its significance in their journey towards becoming efficient educators. And provided insights on how the students should conduct themselves and impart knowledge effectively during their internships.

Throughout the session, students had the opportunity to seek clarification and voice any doubts they may have had, resulting in a comprehensive understanding of the internship. In closing, conveyed her best wishes and encouragement to the student teachers, urging them to embrace the internship as a platform for their growth and development as educators.

The program concluded at 4:00 PM, with a prayer. In essence, the orientation program served as a crucial step in preparing the student teachers for the challenges and responsibilities that lie ahead during their internships, equipping them with a clear sense of purpose and conduct as they embark on this transformative journey.

REPORT ON TEACHER EDUCATORS ROLE DURING INTERNSHIP PROGRAMME

As part of the internship programme, teacher educators of the respective optionals provided vital guidance to teacher trainees. The instructional sessions led by the educators covered diverse aspects such as crafting lesson plans, utilizing teaching aids, understanding unit plan and preparing and executing practical works throughout the internship duration. Moreover, these workshops comprehensively addressed the expected conduct of trainees during this period, offering essential guidelines and instructions crucial for their professional development.

Over the course of the internship, teacher educators actively engaged with student trainees. Their involvement extended to evaluating classes conducted by trainees, offering constructive feedback aimed at refining teaching methodologies. Additionally, educators played a pivotal role in supporting trainees during the implementation of practical works, ensuring a hands-on and immersive learning experience. This collaborative effort between teacher educators and trainees during the internship signifies a dedication to fostering comprehensive and effective educational practices.

The interactive and supportive relationship cultivated during the internship program underscores a commitment to the holistic development of teaching skills. By integrating theoretical knowledge with practical application and feedback, the internship not only equips teacher trainees with valuable insights but also establishes a robust foundation for their future roles in the field of education. This approach reflects a dynamic learning environment where aspiring educators are not only taught but are actively engaged in the process of becoming proficient professionals in the realm of education.

The seminar commenced at 10:00 AM in the college's Multipurpose Hall. Dr. Alice Joseph, Principal of St. Joseph College of Teacher Education, warmly welcomed all attendees, including students, faculty members, and invited guests. She highlighted the significance of understanding diverse school curricula and its implications for shaping modern education.

Ms. Biya Preethan, the esteemed resource person, began her talk by expressing her gratitude for the warm reception. She emphasized the importance of global perspectives in education and the need for educators to adapt to the evolving educational landscape. Ms. Preethan shared her insights into the variations in school curricula between India and the United States.

The seminar delved into several critical aspects of school curricula, including:

1. **Curriculum Framework:** Ms. Preethan elucidated the curriculum frameworks in the Indian and American educational systems. She highlighted the role of state and federal standards in shaping curricula in the United States.
2. **Pedagogical Approaches:** Attendees gained a deeper understanding of the teaching methods and pedagogical approaches adopted in both countries. Ms. Preethan discussed the experiential and project-based learning prevalent in the United States.
3. **Assessment Practices:** The resource person compared assessment practices, including grading systems and standardized testing, in India and the United States.
4. **Inclusivity and Diversity:** Ms. Preethan emphasized the importance of inclusive education and how it is addressed in both Indian and American curricula. She shared practical strategies for accommodating diverse student populations.
5. **Challenges and Opportunities:** The seminar also addressed challenges and opportunities associated with diverse curricula. Participants engaged in discussions about curriculum adaptation, teacher training, and international collaboration.

Interactive Session

The seminar encouraged active participation from the audience. Attendees had the opportunity to ask questions and engage in fruitful discussions with Ms. Biya Preethan. Her expertise and willingness to share experiences enriched the learning experience for everyone present.

The seminar on "Diversities in School Curriculum in India and Abroad - Talk 2" served as an illuminating platform for educators, students, and academicians to explore and compare school curricula in India and the United States. The insights provided by Ms. Biya Preethan offered valuable perspectives that will help educators prepare students for an increasingly interconnected world.

The event concluded with a vote of thanks to Ms. Preethan for her valuable contributions and to all attendees for their active participation. It was a successful seminar that contributed significantly to the ongoing discourse on curriculum diversity in education.

Programme Report

St. Joseph College of Teacher Education for Women, Ernakulam conducted a webinar on ‘Diversities in School Curriculum in India and Abroad’ on 4th July 2022 from 7.00 PM to 9.00 PM via Google Meet. The webinar was coordinated by Ms. Anu Cleetus, Assistant professor in Education at St. Joseph College of Teacher Education for Women, Ernakulam.

The B Ed student teachers were the beneficiaries of the programme since the webinar was conducted as part of the lecture series conducted for the B Ed second semester induction programme. The current webinar was the third talk of the lecture series. The resource person for the webinar was Dr. Ashokan Nochad, former Director at Calicut University of Teacher Education Centre in Kozhikode and former Senior Lecturer at DIET (District Institute for Education and Training). A total of 100 participants including student teachers and faculty members participated in the webinar.

The webinar, 'Diversities in School Curriculum in India and Abroad' started exactly at 7.00 PM via Google Meet. Dr. Betty P.J, Vice Principal and Assistant Professor in Mathematics Education at St. Joseph College of Teacher Education for Women, Ernakulam was the meeting host for the webinar. The webinar began with a prayer song by Ms. Divya Radhakrishnan, student teacher from English optional. The prayer was succeeded by the welcome speech for the programme. The welcome speech was delivered by Ms. Akhitha Sebastian, student teacher from Natural Science optional. Ms. Akhitha Sebastian officially welcomed all of the participants to the webinar. After the welcome speech, the session was started by Dr. Ashokan Nochad, the resource person for the day. Dr. Ashokan Nochad enunciated the difference in school curriculums in India and Abroad. He pointed out that every country has its own set of understandings, distinct culture and a variety of other significant scenarios that differ from one country to the other. As a result, the education imparted by various countries differs. Notwithstanding these disparities in their educational systems, their ultimate goal is largely similar. It is up to the human mind to adapt and perceive the educational method provided to him or her. Dr. Ashokan Nochad pointed out that the Indian education system is very much different from the education systems of other countries. The Indian curriculum and school curriculums abroad varies on many aspects. One of the very important aspect is that on comparing Indian curriculum with the abroad one, the abroad curriculum is much more innovative and creative than the Indian curriculum. The Indian curriculum is mainly have a theoretical approach whereas the abroad education takes a more practical approach. The manner in which the abroad curriculum deal with and apply the concepts has a considerable impact on making pupils grasp and apply the principles they learn in real life circumstances. The Indian curriculum help students gain knowledge base on the concepts than experience. The education system in India is governed by many curricula and school education bodies. These firms establish syllabi, tools, and standardized tests based on the National Curriculum Framework. Such firms include The Council for the Indian

School Certificate Examinations (CISCE), The Central Board of Secondary Education (CBSE), and the Kerala State Education Board (KSEB). International schools either follow a worldwide curriculum (such as the International Baccalaureate, Cambridge International Examinations or Edexcel) or a distinct national curriculum that differs from Indian curricula. Dr. Ashokan Nochad mentioned all of the aspects of the curriculum in India and abroad in detail pointing out its advantages and disadvantages. He gave special attention to the learning process and learning outputs along with effective teaching aids for better teaching-learning experience. Dr. Ashokan Nochad reminded all of the student teachers to be aware of such diversities in curriculum in India and abroad since it has greater relevance in their profession. After the session, feedbacks were collected from the participants via Google Forms. Majority of the students had a great experience and gave positive feedbacks. They suggested for more such programmes organized for them and some of them even suggested the webinar would have been more effective if it was conducted offline. The entire programme wound up at 9.00 PM with the vote of thanks delivered by Ms. Anu P Thomas, student teacher from Physical Science optional.

The webinar on 'Diversities in School Curriculum in India and Abroad' was extremely informative and fruitful for the student teachers. The student teachers could enhance their knowledge and got an overall idea about school curriculums which would positively contribute to their effective performance in their one month induction programme in the second semester. The session was beneficial and comprehensible for student teachers as it was carried out by the resource person in an interesting and effective method.
